**DECLARATION:**

I, Annemarie Appleton (see note 3) employed by Knickerbocker Machine Shop Inc and being the person having full authority and responsibility for the quality of the end product do solemnly declare that the information contained in this form is true and to the best of my knowledge represents the product for which registration is sought. The dimensions, materials of construction, pressure temperature ratings, and identification markings are in accordance with the herein named standards. I further declare that the manufacture of these fittings is regulated by a Quality Control Program which extends to each plant where fabrication occurs in whole or in part and has been verified by Hartford Steam Boiler as being suitable for that purpose and I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath.

Signature of Declarer: Annemarie Appleton

Declared before me at \_\_\_\_\_

This 10th day of December AD 2018

Commissioner of Oaths or Notary Public: (sign) Tiffany A. Rogers

This space for Regulatory Authority use This registration must be revalidated after ten (10) years from the date of acceptance.  CRN: <u>0A3436.5 Rev. 2</u> FID#: <u>452</u>  Notes: 1. All fittings shall be registered in the name of the Manufacturer. 2. Each category shall be supported with two Statutory Declaration forms and one copy of supporting documentation. 3. The declaration shall be made by the person having full authority and responsibility for the quality of the end product. 4. Quality control programs shall be resubmitted for validation at a maximum interval of five (5) years. Service Request Type: BPV-Fitting Registration  
Service Request No.: 2530160  
Your Reference No.: PVE-13442  
Registered to: ALLOY STAINLESS PRODUCTS COMPANY INC

Dear CATHERINE DIPLOCK,

Technical Standards and Safety Authority (TSSA) is pleased to inform you that your submission has been reviewed and registered as follows:

**CRNL 0A3436.5R2**

Main Design No.: SCOPE OF REGISTRATION 13442s-1 REV 0  
Expiry Date: 14-Mar-2029

Please be advised that a valid quality control system must be maintained for the fitting registration to remain valid until the expiry date.

Note: This is a CRN renewal only. There is no change in scope.

A stamped copy of the approved registration and invoice for engineering services will be mailed to you shortly. Should you have any questions or require further assistance, however, please contact a Customer Service Advisor at 1.877.682.TSSA (8772) or e-mail [customerservices@tssa.org](mailto:customerservices@tssa.org). We will be happy to assist you. When contacting TSSA regarding this file, please refer to the Service Request number provided above.

Yours truly,

Alan Wu P. Eng.  
Mechanical Engineer, BPV
